FLEXIPREMIUM

Low Start Loans

An easier start with 50% repayments.

When things get tough, good businesses need support to ride out economic dips and keep opportunity alive. That's where a flexipremium Low Start Loan could help make all the difference. Here's how.

AN EXAMPLE

Low start without increasing your term

STANDARD FINANCE	
Asset finance	$500K for a new excavator
Repayment term	60 months (with a 20% residual)
Monthly repayments	$8,400/month
LOW START LOAN	
Asset financed	**$500K for a new excavator**
Repayment term	**60 months (with a 20% residual)**
Monthly repayments (first 3 months)	**$4,200/month**
Catch-up monthly repayments (thereafter)	**$9,196/month**

HOW IT WORKS

For new **flexi**premium facilities, a **flexi**premium Low Start Loan simply lets the business start their term paying 50% repayments for the first 3 months – then catch that up gradually over time.

- >> Customer can ease pressure while they get the asset working.
- >> Buys time to ride out short-term adverse economic conditions.

CONDITIONS

- >> Customer must qualify for **flexi**premium.
- >> No cashflow lenders on file (e.g. Prospa, Moula).
- >> Must have an existing commercial asset finance facility with an approved lender.*
