- ➞ PPSR fee(s) at cost

Brokerage (incl. GST)

- ➞ Rates applicable up to 5.5%.
- ➞ Any increase above 5.5% inc GST will incur equivalent of 0.5% for every 1% increase in brokerage (or part thereof).
- ➞ Maximum brokerage 8.8%.
- ➞ Introducer documentation fee up to \$990 (if private sale / sale and buyback \$880).

Key point guidelines.

General

- NAF is the Net Amount Financed, excludes fees and brokerage.
- Low Doc aggregate exposure for any existing property backed client with 12 months perfect repayment history on a Resimac Asset Finance contract is \$400k.
- Privacy consent must be signed <90 days from application and MUST note 'Resimac Asset Finance (resimacassetfinance.com.au)'.
- Sale and buyback can only be considered on Dealership sales, where the asset was purchased within the last 30-days of receiving the application. Sale and buybacks can only be considered for PremiumPLUS or Premium applications, on a case-by-case basis.
- References may be obtained where available at the sole discretion of Resimac Asset Finance.
- Loan terms are available between 12 and 60 months or up to 84 months for Green Goods.
- Insurance is required on all deals (with Certificate of Currency

- proof required on NAF amounts >\$100k).
- No current bankrupts or discharged bankrupts within the last 10 years.

Asset

- Asset must be used by the business as part of its normal trading activities.
- All Assets must be serialised, identifiable and registered prior to settlement (where applicable).
- Valuations are completed in house where possible, otherwise external valuations may be required at customer cost.
- Luxury assets or motor vehicles will require more information.
- Maximum NAF per motorbike \$75k.
- Maximum NAF per passenger vehicle \$250k.

Property backing

- Applicants are considered property backed if:
 - > ≥25% of the property resides in a guarantor's name.
 - > Equity in property is at least 1x NAF.

- > There are not multiple or adverse encumbrances on the property.

Spouse-owned property

- Does not constitute property backing, but can be used to waive a deposit requirement. Must be married (not de facto).

Lite Doc

- Any ATO Debt must be <10% of turnover and be under an established payment arrangement (in place >3 months).
- BAS requires annualised minimum turnover >2.5 x asset purchase price.

Directors and shareholders

- All Directors and all >40% shareholders must be Australian Citizens or Permanent Residents residing in Australia and be a guarantor to the loan.
- All shareholders ≥25% are required to complete Resimac Asset Finance AML procedures.
- May not be required to guarantee for large corporate, clubs, private schools, charities and associations.

Definitions

Equifax scores:	• Assessment score - using highest of company or any guarantor score. • Lower limit - any company or guarantor score <450 can lead to deal being referred or declined.
Cash flow lenders:	Any enquiries from cashflow lenders within the last 6 months may require Lite Doc or bank sweep, subject to profile.
Credit references:	≤100k (must be available) • Asset finance statements - loan running six months plus with no missed repayments; or • Mortgage statements - loan running six months plus with no missed repayments. Must be in applicants or guarantors name, spouses mortgage statement not accepted (sole traders excluded)
	>100k (must be available) • Asset finance statements - loan running six months plus with no missed repayments. Must be for 50% of requested NAF if Low Doc.
Active credit file:	Applicants must be established and have active credit files, with regular industry related enquiries available.
Prime movers:	Always requires a property-backed guarantor.
